

# Marie Curie Innovative Training Networks (ITN) Calls Are Now Open for 2016

Calls for Interactive Training Networks (ITN) under Marie Skłodowska-Curie Actions were published on the Participant Portal of the European Commission on October 15, 2015.

By inviting applicants to apply for ITN funding the European Commission aims to create, by providing diverse training opportunities, a new generation of young, creative, entrepreneurial and innovative early-stage researchers, able to face current and future challenges and to convert their knowledge and skills into products and services for economic and social benefit.

ITN calls are training and doctoral programmes announced for receiving institutes in three different forms:

1. European Training Networks (ETN)
2. European Industrial Doctorates (EID)
3. European Joint Doctorates (EJD)
