

Publication of the H2020 AMGA update version 4.1

The updates of the [H2020 Annotated Model Grant Agreement version 4.1](#) is available on the Participant Portal.

It may be necessary to refresh the Internet browser to reach the new document.

The new version of the AMGA includes new explanations and examples, in particular concerning:

- specific unit costs in Articles 6.2.F;
- records for international partners under Article 18;
- examples concerning Articles 50 and 55.

Indents or sections with new explanations are marked with a small green sign on the left-hand margin.
