PARTNER SEARCH AND INFO EVENT
1 + 1 M EUR FOR JOINT HUNGARY &
ISRAEL RDI PROJECTS

Hungary and Israel are pleased to launch the 6th Call for Proposals for joint R&D projects which provides 1+1 M EUR non-refundable funding for the successful applicants.

Applicants are expected to develop ready to market solutions or projects which have strong market potential for both Hungary and Israel. Project results have to contribute to the development of commercial products, applications and or services.

Companies are invited from Israel and Hungary to meet each other, learn more about the opportunity and discuss joint project ideas.

Agenda:

3.00-3.05 PM – Opening remarks by Mr Szabolcs Szolnoki, Diplomat for Scientific and Technological Affairs

3.05-3.20 PM –Future of the Hungary – Israel joint RDI cooperation by Mr Zsigmond Perényi, Ministerial Commissioner

3.20-3.35 PM – How to apply for the call? by Mr. Uzi Bar-Sadeh Bilateral programs Manager of the Israel Innovation Authority
