AI Call portal

Create account (<https://tool.eureka-clusters-ai.eu/user/register.html>)

To use the Project portal, you need to create an account:

1. Fill your name and company email address
2. Activate your account via the email link
3. Fill in additional information e.g. company name and set your password

The screenshot shows an email interface for 'Eureka Clusters AI Call 2021'. The subject is 'Account registration - Please activate your account'. The recipient is 'loesvdborne+5'. A green notification bar at the top states 'Your account has been activated successfully'. Below this, a pink message says 'No organisation found in your profile, please complete your profile if you want to create or join project ideas'. The user is greeted as 'Hello Loes van den Borne!'. There are tabs for 'Profile', 'Organisation' (with a warning icon), 'Events', and 'Privacy settings'. The 'Personal profile' section shows: Name: Loes van den Borne, Email: loesvdborne+5@gmail.com, Profile visibility: Visibility is not defined. At the bottom, there are buttons for 'Edit your profile' and 'Set a password' (with a '3' notification). The footer lists 'CELTIC-NEXT, EUROGIA, ITEA, PENTA-EURIPIDES, and SMART'.

AI Call portal

Login (<https://tool.eureka-clusters-ai.eu/user/login.html>)

If you already have a Eureka Clusters AI Call portal account, you can log in using your credentials (email address and password)

AI Call portal

Elements (<https://tool.eureka-clusters-ai.eu/portal>)

From the AI Call portal you can access the following Brokerage elements:

1. Overview Ideas in AI Call 2021 (slide 6)
2. Create new idea (slide 7)
3. Overview of your AI Call 2021 project ideas and manage your project idea (slide 8)
4. Overview of invitations (people who invited you) & requests (ideas you want to join)
5. Accept/Decline project idea invitation (slide 11)
6. Partner search (slide 12)
7. Edit your profile / expertise / organisation / password (slide 13)

The screenshot shows the AI Call portal interface with the following elements highlighted by numbered callouts:

- 1**: AI Call portal logo in the top navigation bar.
- 2**: '+ Create new project in AI Call 2021' button in the main content area.
- 3**: 'My ideas in AI Call 2021' section header.
- 4**: 'Idea invitations & requests' table.
- 5**: 'Accept or decline join request' button in the invitation table.
- 6**: 'Partner search' button in the bottom navigation bar.
- 7**: User profile 'L vd Borne' and 'Logout' link in the top right navigation bar.

ID	Project	Invited By	Action	Time
1	A3: TPAIC 2021	Loes van den Borne	invite sent	Yesterday 16h14
2	A3: TPAIC 2021	Johan van der Heide	Accept or decline join request	Today 21:54

AI Call portal

1. Overview AI Call 2021 project ideas (<https://tool.eureka-clusters-ai.eu/portal/idea/list/tool-2.html>)

From the Project ideas overview you can:

1. View basic information of the created ideas
2. Open ideas and read all details (and send request to join)
3. Filter on Keyword, Challenge, Country or Search term
4. Save your favourite ideas by clicking on the 'star' in the first column (it will be shown on top of the list)

AI Call 2021 - Project idea tool

Here you can find the overview of the (draft) ideas that are created for the Eureka Cluster AI Call 2021. With the search option and filter options, you can optimise your exploration to see if you could join some of these project ideas. You can also submit your own AI Call-related project idea and look for partners to invite.
