

# InnoEnergy Regional Partnership

A sustainable future for European regions

Budapest, April 2018

- InnoEnergy is the **biggest cleantech accelerator worldwide**
- Company was established in 2010 as a initiative of **European Institute of Innovation and Technology**
- InnoEnergy’s strength lies in the broad **pan-European network of Partners**

- 6 regional offices
- 24 shareholders
- 299 partners
- Activities in **17 countries**

**254**  
Products and services supported

**100**  
Companies created

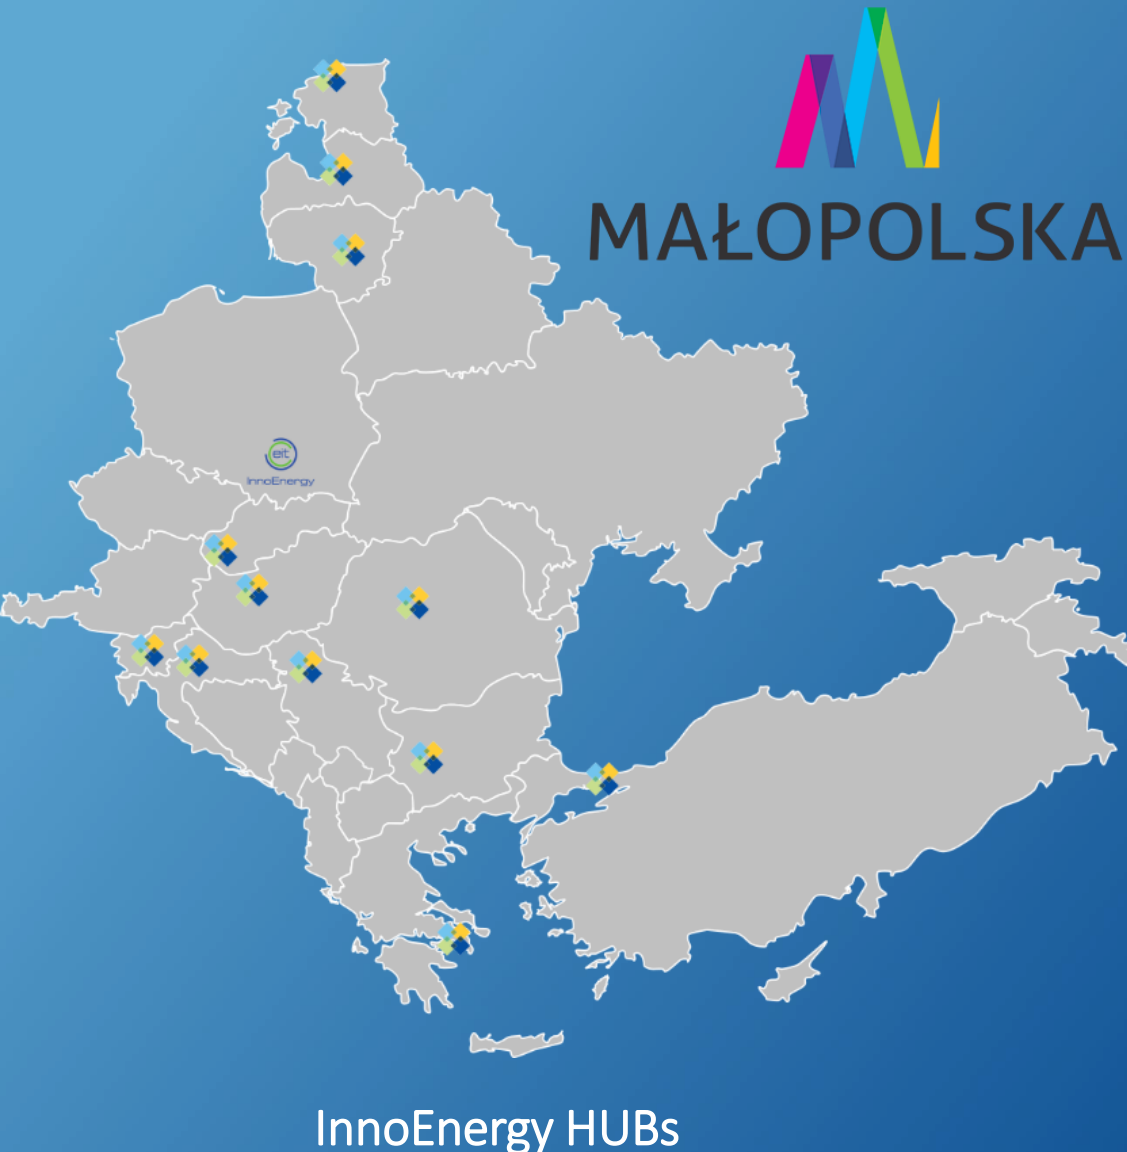

**75**  
Million euros of external investment raised

**2 520**  
Business ideas captured

It is not only corporates  
that **innovate**

Public actors also innovate  
by **introducing new approaches**  
to **provide quality services**  
and to **better respond to the needs of business**

Reviewing **selection criteria** and **procedures** for implementing projects applying for co-financing

Successful introduction of the **Panel of Experts** and participation in the role of **observers** in its work

Joint **workshops** for beneficiaries of Małopolskie Regional Operational Program and employees of Małopolska Center of Entrepreneurship

Joint participation in **InnoBridge** project

InnoEnergy HUBs

- Signature of the framework **cooperation agreement** (March 2017)
- Conducting **workshops** for the Silesian Marshall's Office (July 2017)
- Joint participation in **Coal Regions in Transition Platform** initiative (February 2018)
