

Guidance for public authorities on Public Procurement of Innovation

dr. Gabriella Gyori

Sustainable Economy and Procurement Officer

ICLEI – Local Governments for Sustainability, Germany

● Overview of presentation

- 1.) Introduction to ICLEI and its innovation procurement work
- 2.) Procurement of Innovation Platform of ICLEI
- 3.) Guidance for Public Authorities on PPI
- 4.) Other available guidance, materials
- 5.) Questions

ICLEI is **leading global network** of over 1,500 cities, towns and regions committed to building a sustainable future.

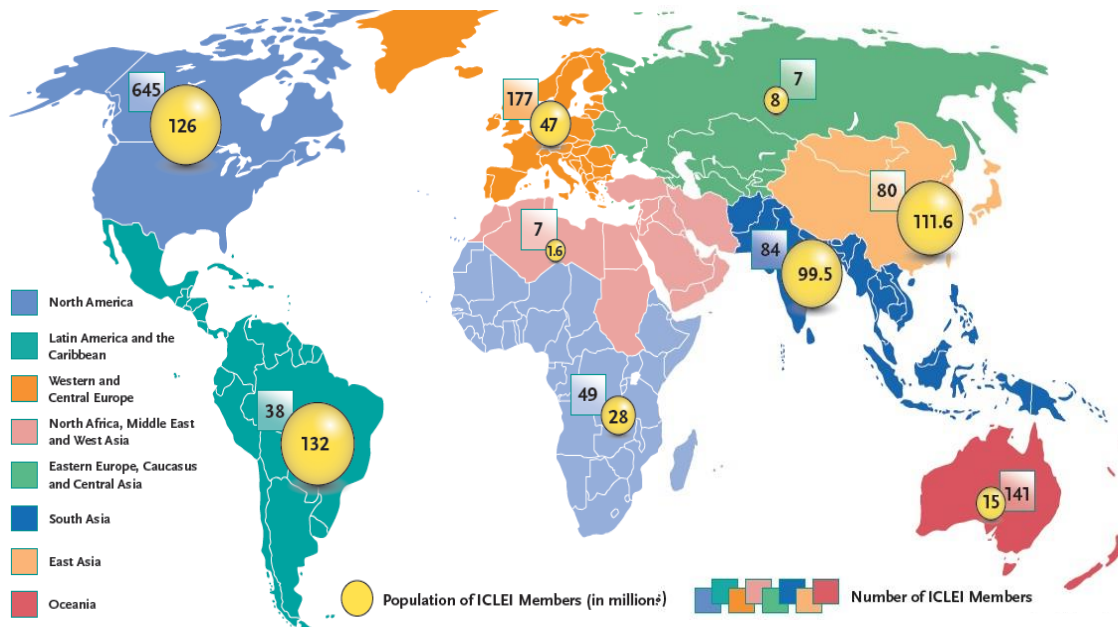

Our mission is to build and serve a worldwide movement of local governments to achieve tangible improvements in global sustainability with special focus on environmental conditions through cumulative local actions.

Our members

Global Membership

660 Million – 8.3% of world population in 85 countries

European Membership

180 local government members in 38 countries

● ICLEI's Sustainable Procurement Work (1)

Our achievements include:

- **150** projects
- **100** conferences, seminars and workshops
- **2000** people trained
- **300** cities supported in over 50 countries
- **1 Million** tonnes CO₂ saved
- **20 years** of SPP at ICLEI

● ICLEI's Sustainable Procurement Work (2) - 20 Years of SPP at ICLEI

Guidance for Public Authorities on Public Procurement of Innovation (1)

- This Guide is aimed primarily at those who are responsible for planning and executing procurement procedures
- Detailed information about the 'why, what and how' of PPI
- Includes many different case studies
- Launched June 2014
(NOTE: since the launch of the guide some changes have been done in the Directives)

Guidance for Public Authorities on Public Procurement of Innovation (2)

- The guide is available under ICLEI Procurement of Innovation Platform:
- <http://www.innovation-procurement.org/about-ppi/guidance/> EN
- <https://www.innovation-procurement.org/fileadmin/editor-content/Guides/PPI-Platform-Guide-HUN-final-lowres.pdf> HU
- The guide is available in English, Spanish and Hungarian
- The guide has been developed with the cooperation among the project partners: ICLEI, PIANOo, Agency for Innovation and Science Technology Spain, Regional Environmental Centre Szentendre and Abby Semple (author)

Guidance for Public Authorities on Public Procurement of Innovation (3)

- The role of PPI – meeting the individual needs of the procuring authority and a „catalytic“ driven force of triggering the purchase of innovation (specific and policy level implication)
- Why procurement of innovation is not taking place on a larger scale? Lack of awareness and available good practices, particular issues of SME´ s participation
- Summary of the New Procurement Legislation
- List of Relevant PPI/PCP projects
- Procurement of Innovation Platform
- Case studies (City of Detmold, Ghent, Netherlands, Poland)
- Benefits of PPI (for procurers, suppliers and society)

Guidance for Public Authorities on Public Procurement of Innovation (4)

➤ **How to procure innovation?**

- Preliminary Market consultation
- Pre-commercial Procurement
- Innovation Partnership
- ...

➤ **Similar PPI project where you might find further information:**

- [InnoCat project, HAPPI project, Water_PiPP project, PPI4Waste project](#) etc.
please consult the guide for further relevant projects

➤ **Case studies**

- City of Detmold
- Rawitz Hospital Poland
- ...
