As a coordinator you must indicate your organisation's bank account, which will be part of the grant agreement information. Please do so by entering its last four digits in the search field (only available whilst editing grant or amendment information). Note that only accounts already validated will be displayed and available for selection. Therefore, if the one you intend to use is not listed, you must contact your organisation's LEAR (or the self-registrant in case of a non-validated PIC) and ask them to [request the validation of the bank account](#) via the Participant Register. **Once the bank account will be validated** (the process may take a few days), it will appear listed below and you will be able to select it.
