

The Funding & Tenders Portal:

How to find an opportunity matching my interest?
How to find partners for a consortium?

Peter HÄRTWICH

European Commission, DG RTD

*Common Implementation Centre
Business Processes – RTD H3*

Public access

Discover the funding & tenders opportunities

Find out how to participate by following these key steps.

Find calls for proposals

Explore the available EU funding opportunities by searching for calls for proposals within your topics of interest, find partners and submit a proposal.

Find calls for tenders

Find business opportunities in the calls for tenders managed by EU institutions, bodies and agencies.

Personalised services

Personalised access to the Funding & Tenders Portal is based on 3 elements:

1. Each user is supposed to have a **unique EU Login account**, which is the **unique identifier for persons** (linked to their professional email address).
2. Each EU Login account is linked to one (or more) **PIC number(s)**, which are the **unique identifier for organisations**.
3. Each EU Login account is linked to all the **roles** that the user has in projects and/or organisations through IAM.

Discover the funding & tenders opportunities

Find out how to participate by following [these key steps](#).

Find calls for proposals

Explore the available EU funding opportunities by searching for calls for proposals within your topics of interest, find partners and submit a proposal.

Find calls for tenders

Find business opportunities in the calls for tenders managed by EU institutions, bodies and agencies.

View projects and results

Browse through EU funded projects and learn about the results. Invest in opportunities and get inspired by the highlights and success stories.

Work as an expert

Proposals and projects need evaluations, monitoring and domain-specific knowledge advice from experts.

Manage your EU Login account

The screenshot displays the EU Funding & Tenders Portal interface. At the top left, the European Commission logo is visible. The main header reads "EU Funding & Tenders Portal". A navigation bar contains links for Home, Funding, Procurement, Projects & results, News & events, Work as an expert, and Guidance & documents. On the right, the user's name "Peter HAERTWICH" and profile picture are shown, along with a language selector set to "EN".

A red box highlights the user's profile dropdown menu, which is open. The menu items are:

- Impersonification: Includes a search box for "User ID or name" and a "Sign in" button.
- My roles
- Security Settings
- IT Helpdesk
- My Account
- Contact NCPs
- Logout

The main content area features a banner with a collage of images and the heading "Discover the funding & tenders opportunities". Below this, it says "Find out how to participate by following these key steps." and lists four key steps:

- Find calls for proposals**: Explore the available EU funding opportunities by searching for calls for proposals within your topics of interest, find partners and submit a proposal.
- Find calls for tenders**: Find business opportunities in the calls for tenders managed by EU institutions, bodies and agencies.
- View projects and results**: Browse through EU funded projects and learn about the results. Invest in opportunities and get inspired by the highlights and success stories.
- Work as an expert**: Proposals and projects need evaluations, monitoring and domain-specific knowledge advice from experts.

On the left side, a sidebar menu lists various user-specific options:

- My Person Profile
- My Organisation(s)
- Grants
- My Proposal(s)
- My Project(s)
- Procurement
- My Contract(s)
- My CFT Subscriptions(s)
- Technical Support Instrum...
- Monitor requests
- Monitor projects
- My Formal Notification(s)
- My Expert Area

At the bottom right, the European Commission logo and the text "Commission" are visible.

EU funding: basic structure

[Home](#) > [Funding](#) > [Calls for proposals](#)

Calls for proposals

Calls for proposals are funding opportunities issued by the European Union institutions, agencies and bodies. These are direct financial contributions, known as grants, that are awarded to third-party beneficiaries (e.g., research organisations, public entities, non-governmental organisations, and private companies) to engage in activities that serve EU policies.

Topic destination

Sustainable, secure and competitive energy supply (2023/24)

This Destination includes activities targeting a sustainable, secure and competitive energy supply. In line with the scope of cluster 5, this includes activities in the areas of renewable energy; energy system, grids and storage; as well as Carbon Capture, Utilisation and Storage (CCUS).

The transition of the energy system will rely on reducing the overall energy demand and making the energy supply side climate neutral, in current and future climate conditions. R&I actions will help to make the energy supply side cleaner, more secure...

Topic related FAQ

2 item(s) found

Under topic HORIZON-CL5-2023-D3-03-01, are the results expected to contribute and cover at least three technologies from A or B only, or three technologies from A and B together...

The topic's text specifies: "The results are expected to contribute to at least three of the outcomes in A and B", i.e. at least 1A & 2B or 2A & 1B.

Which and how many outcomes should be the focus of the research project?

The text specifies: "The results are expected to contribute to at least three of the outcomes in A and B", thus outcomes should address at least 1A & 2B or 2A & 1B.
