# Evaluation of participation in FP7

- Lessons to learn
- Study under preparation about Hungarian support programmes in FP7 – the findings will influence the planning of such actions for H2020
- Comprehensive study on Hungarian participation in FP7  
*to be published in 2014*

# How to enhance Hungarian participation

- More applicants
- Mobilizing new participants
- Increasing the role of HU partners in projects (e.g. by taking up coordination)
- Increasing the proportion of funding to HU partners within projects

**with national support**

#### Hungarian Support measures

- Strengthening the network of National Contact Points
- Support the work of the Programme Committee Members
- Increasing the number of expert evaluators for H2020
- Cooperation with HU members in the Advisory Groups of H2020
- New Hungarian support mechanisms adjusted to the system of H2020
- Evaluation of the national support programmes to FP7
- Evaluation of Hungarian participation in FP7
- Events, trainings, and dedicated H2020 website

# Hungarian Support measures

- Strengthening the network of National Contact Points
- Support the work of the Programme Committee Members
- Increasing the number of expert evaluators for H2020

# ***NCP System***

## ***National Contact Points***

Well established network of persons  
nominated by the national authorities  
HU coordination: **National Innovation Office**

**Free support services to all types of  
applicants in H2020**  
On national language

Tasks: information supply  
and guidance in application

#### *Roles of NCP-s*

- Informing, awareness raising
  - Organizing events, workshops, trainings
  - Information on news and calls
- Advising, assisting
  - Explaining the scope
  - Advice on administrative procedures, legal issues
  - Assisting in partner search
  - Assisting in grants and project management
- Cooperation with Enterprise Europe Network (EEN)  
for facilitating participation of SMEs in H2020

## *Roles of NCP-s*

Informing, awareness raising

- Organizing events, workshops, trainings
- Information on news and calls

Advising, assisting

- Explaining the scope
- Advice on administrative procedures, legal issues
- Assisting in partner search
- Assisting in grants and project management

Cooperation with Enterprise Europe Network (EEN)  
for facilitating participation of SMEs in H2020

# *PC System Programme Committee Members*

- Representing national position at strategic level during the negotiation of H2020 work programmes
- Using expert advisors
- Delegates for all H2020 areas
  
- Engage in strategic discussions on priorities
- Decisions in budget allocations within priorities
- Provide vital links between EU and National funding

# *Hungarian Support Programmes*

To be finalized in the first half of 2014

Framework: GINOP (Operative Programme for Economic Development and Innovation); EFOP (Operative Programme for Human Resource Development); KTIA (Research and Technological Innovation Fund)

Main objectives:

- facilitating consortium building and networking for H2020;
- supporting research infrastructures,
- enhancing access to Widening actions under H2020 (ERA-Chair, COFUND actions etc.)
- Providing national funding to joint programmes

# *S&T Attachés in Brussels*

- Representing HU R&D&I policy at relevant EU bodies
- Gathering information from and building linkages with EU institutions
- Facilitating HU participation in Horizon 2020
  - supporting the integration of HU R&D&I community into EU and other transnational R&D networks

# *Expert evaluators in H2020*

**New call for expression of interest to join  
the EC evaluators database**

[http://ec.europa.eu/research/participants/  
portal/page/experts](http://ec.europa.eu/research/participants/portal/page/experts)

# *Events*

H2020 awareness raising road show  
in the regional centres of Hungary

- Debrecen: 12th December
- Miskolc: 20th January
- Pécs: tbc.
- Szeged: tbc.

Thematic information days and workshops:

- Focusing on particular H2020 priorities
- Trainings on H2020 legal and financial background
