

# Visegrad Group (V4)-Japan Joint Research Program

Advanced Materials Joint Call

15 January 2015 — 10 April 2015

—Connecting Japan and the V4 Countries  
through Excellent Research Collaboration—

## ●The V4-Japan Advanced Materials Joint Call is now open

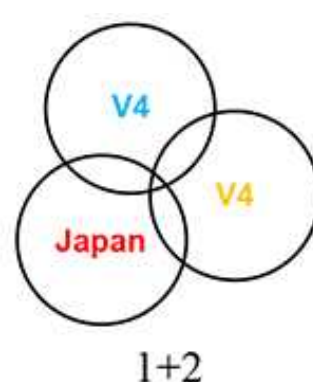

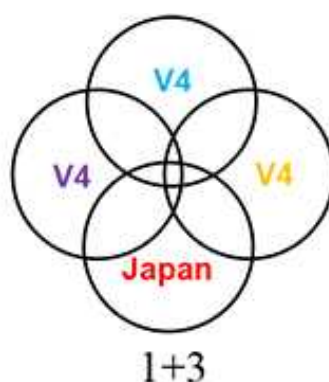

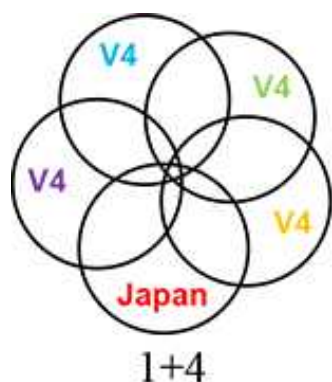

The deadline for submission of proposals is 10 April 2015, 10:00 am GMT, i.e. 7:00 pm Japanese time.

## ●The V4-Japan Joint Research Program

This program is a mechanism for formulating and supporting research projects that involve scientists from the V4 countries (Czech Republic, Hungary, Poland and Slovakia) and Japan.

## ●Composition

For this first Joint Call in the field of Advanced Materials, each project consortium should consist of at least 3 partners: one from Japan and two from two different V4 countries participating in the Joint Call. Proposals eligible for this first call are those that follow the “Japan+2 V4 countries” (1+2), “Japan+3 V4 countries” (1+3), and “Japan+4 V4 countries” (1+4) models. Proposals that follow the bilateral model of “Japan+1 V4 country” (1+1) will not be eligible.
